

Internal use only

Blue Print Constructs

Submission workbook — 2026-05-27

Proposal package — TAMU Wehner Finance Rm 340E (Sol SSC-2025-06871)

Solicitation: 2025-06871

Prepared by RK Residential Homes and Commercial Constructions, LLC

Bid: tamu-wehner-fin-340E-2025-06871

Purpose. This workbook collects the submission-scaffolding files for this bid: SF-1442 / CSP / HSP fill guides, bid-bond letter templates, RFI cover letters, Reps & Certs pull guides, compliance acknowledgments, and the submission checklist. **USER TO FILL** markers are rendered red so you can audit gaps at a glance. This file is for internal use only — do not send it to the client. The client-facing executive-summary and full-proposal PDFs in this same folder are already placeholder-cleaned.

Lead: Ravikiran (Rocky) Nudurupati · rocky@blueprintconstructs.com · (469) 213-1838

CSP Proposal Form Fill Guide — TAMU Wehner 2025-06871

Form referenced: Section 00 42 13 — Proposal Form (CSP) per TAMU System standard. Actual form retrieved from CSP package once downloaded; this guide is structured per the sister TAMU Harrington bid's interpretation.

1. Form structure (CSI-Division Pricing Table)

TAMU System CSP Proposal Forms typically present a table with one row per CSI Division. The bidder enters a **dollar amount per CSI Division that is in scope**, OR marks the row **BLANK** for divisions not in scope. **Do NOT enter \$0 for blank scope** — that's interpreted as \$0 cost AND being responsible for that scope.

Field	Format
CSI Division	Pre-populated
Division Name	Pre-populated
Bidder's Amount (\$)	Bidder enters

2. Filled CSI Division amounts (TAMU Wehner)

Based on 04-scope-of-work.md + takeoff-template.json + sub quotes (when received), populate:

Division	Name	In-scope?	Amount \$	Notes
01	General Requirements	✓	[AWAITING TAKEOFF]	GC overhead + mobilization + closeout
02	Existing Conditions / Demo	✓	[AWAITING TAKEOFF]	Demolition + disposal
03	Concrete	✗	BLANK	
04	Masonry	✗	BLANK	
05	Metals	✗	BLANK	

06	Wood / Carpentry	✓	[AWAITING TAKEOFF]	Rough carpentry only
07	Thermal / Moisture	✓	[AWAITING TAKEOFF]	Caulking + sealants
08	Openings / Glazing	✓	[AWAITING TAKEOFF]	MARRS glass wall
09	Finishes	✓	[AWAITING TAKEOFF]	Flooring + base + ceiling + drywall + paint
10	Specialties	✓	[AWAITING TAKEOFF]	Signage
11	Equipment	✗	BLANK	
12	Furnishings	✗	BLANK	NIC — TAMU-provide
13	Special Construction	✗	BLANK	
14	Conveying Equipment	✗	BLANK	
21	Fire Suppression	✗	BLANK	
22	Plumbing	✓	[AWAITING TAKEOFF]	Sink cap-in-place
23	HVAC	✓	[AWAITING TAKEOFF]	Re-balance + new diffusers

26	Electrical	✓	[AWAITING TAKEOFF]	Removal + new circuits + lighting + outlets
27	Communications	✓	[AWAITING TAKEOFF]	AV/data rough-in
28	Electronic Safety + Security	X	BLANK	Confirm from spec
31	Earthwork	X	BLANK	
32	Exterior Improvements	X	BLANK	
33	Utilities	X	BLANK	

3. Summary line items

Below the CSI table, the form typically asks for summary lines:

Item	Amount \$
Subtotal Direct Costs (sum of CSI rows)	[CALC]
GC Overhead (8%)	[CALC]
GC Profit (7%)	[CALC]
Contingency (10%)	[CALC]
Performance Bond (~1%)	[CALC]
Payment Bond (~1%)	[CALC]
Insurance (~0.5%)	[CALC]
TOTAL LUMP SUM PROPOSAL	[FINAL FIGURE]

4. Schedule commitment

Item	Value
Days from NTP to Substantial Completion	90-120 calendar days (commit specific # based on actual takeoff)
Working hours	Mix of after-hours + weekends + business hours (per 05-schedule-narrative.md)
Liquidated damages acknowledgment	Yes — per TAMU SGC § 7 typical

5. Acceptance period

Item	Value
Offer acceptance period	90 calendar days from offer due date (TAMU System CSP typical)
Effective date	2026-06-17 + 90 = 2026-09-15 (or 60 days = 2026-08-16 if minimum)

6. Bidder identification

Company name: RK Residential Homes and Commercial Constructions, LLC DBA: Blue Print Constructs UEI: LM4YHVQ71QG7 CAGE: 9LET0 State of Incorporation: Texas Tax ID (EIN): 87-4292998 TX Taxpayer ID: 32082600456 SAM Status: Active Business Size: Small (per NAICS 236220 - \$45M size standard) HUB Status: **[USER TO FILL – recertification status per firm-profile EXPIRED 2024-08-31]** MBE Status: DFW MSDC Certified [EXPIRED 2024-08-31 per firm-profile]

7. Authorized signer

Name: Ravikiran (Rocky) Nudurupati Title: Founder & Managing Director Phone: (469) 213-1838 Email: rocky@blueprintconstructs.com Date: [AWAITING SUBMISSION DATE]

8. Signature

[Wet-ink signature required by Rocky Nudurupati before scanning + submission]

9. Witness / Co-signer (if required by form)

Name: **[USER TO FILL]** Title: **[USER TO FILL]**

10. Notarization (if required by form)

Texas notary acknowledgment block per typical TAMU System pattern (notary public verifies bidder identity).

11. Common form-fill errors → CO non-responsiveness

Error	Avoidance
Missing signature	Sign in ink before scan
Incomplete CSI Division row	BLANK if not in scope; never \$0
Lump-sum total math error	Use spreadsheet to verify
Acceptance period < CSP minimum (90 days)	Confirm minimum from form
Signer not authorized (need power-of-attorney)	Rocky is principal/owner; no POA needed
Date older than allowed	Sign date should be $\leq$ 1 week before submission

12. Submission

Per TAMU System CSP convention, the form is **submitted as part of the complete proposal packet**, either:

- Single PDF email to matthew.wiederstein@sscserv.com (primary) - Physical delivery to 600 Agronomy Road, Suite 218 (backup)

The form is **scanned** with original wet-ink signatures + notary stamp (if required).

HSP / Subcontracting Plan Form Fill Guide — TAMU Wehner 2025-06871

Form referenced: Section 00 45 17.1 — HSP / Subcontracting Plan per TAMU System CSP standard. May be the **TX State Subcontracting Plan (Rev. 5/26)** or **VetHUB framework**. Actual form retrieved from CSP package; this guide is structured per the sister TAMU Harrington bid's interpretation.

1. Form context

The HSP form is **REQUIRED** for this CSP per user email-body. It documents: - Whether the bidder achieved the project-specific HUB goal OR demonstrated good-faith effort (GFE) - HUB subcontractors solicited - HUB subcontractors actually receiving commitments

2. BPC's HSP posture

CRITICAL: BPC's HUB certificate is expired (per `firm/firm-profile.json` → 2024-08-31). BPC cannot self-credit HUB participation. The HSP is built **entirely from HUB sub commitments**.

3. Target HUB participation

- TAMU statewide HUB goal for special-trade construction: ~21.1% (per 34 TAC §20.284)
- TAMU project-specific goal: TBD from Patty Winkler / Brittany Crawley
- BPC's target: 25-30%** of total contract value (over TAMU's statewide goal, signaling commitment)

4. HUB-eligible scope identification

Sub trade	HUB sub commitment target \$	% of project
MARRS glazing	[USER TO FILL after sub commit]	15-20%
Electrical	[USER TO FILL]	5-8%
Plumbing	[USER TO FILL]	2-3%
HVAC	[USER TO FILL]	3-5%
Flooring	[USER TO FILL]	3-5%
TOTAL HUB SUBS	[CALC]	25-30%

5. HUB sub solicitation tracking

Per the form, document outreach to **minimum 3 HUB subs per trade** for GFE:

Trade	HUB Sub Name	HUB Cert #	Date solicited	Method	Response	Quote \$	Commitment?
MARRS glazing	[USER TO FILL]	[USER TO FILL]	[USER TO FILL]	Email/phone	TBD	TBD	TBD
Electrical	[USER TO FILL]	[USER TO FILL]	[USER TO FILL]	Email/phone	TBD	TBD	TBD
Plumbing	[USER TO FILL]	[USER TO FILL]	[USER TO FILL]	Email/phone	TBD	TBD	TBD
HVAC	[USER TO FILL]	[USER TO FILL]	[USER TO FILL]	Email/phone	TBD	TBD	TBD
Flooring	[USER TO FILL]	[USER TO FILL]	[USER TO FILL]	Email/phone	TBD	TBD	TBD
Acoustic ceiling	[USER TO FILL]	[USER TO FILL]	[USER TO FILL]	Email/phone	TBD	TBD	TBD

6. Good-Faith Effort (GFE) narrative

If HUB participation target is not met or there are gaps:

Blue Print Constructs documented good-faith effort to subcontract with HUB-certified subcontractors as follows: (1) Searched the Texas Comptroller HUB Centralized Master Bidders List by NAICS code 238150 (Glass and Glazing), 238210 (Electrical), 238220 (Plumbing/HVAC), 238330 (Flooring), 238390 (Acoustic Ceiling); (2) Emailed minimum 3 HUB-certified subcontractors per trade with project scope and quote-deadline; (3) Followed up with phone calls to non-responsive HUB subs; (4) Awarded subcontracts to HUB subs where feasible competitive quotes were received. Documentation of all outreach is maintained in BPC project records for 3+ years post-award.

7. Form-fill walkthrough

Section 1: HUB Goal Achievement Statement

- I achieved the project-specific HUB goal (mark if 25%+ achieved)
- I demonstrated good-faith effort to achieve the HUB goal (mark if < 25% but GFE)

Section 2: List of HUB subs solicited

List each HUB sub solicited: - Sub Name - HUB Cert # (Vendor ID) - Trade scope - Method of outreach - Date of outreach - Response (yes/no/quote received)

Section 3: List of HUB subs receiving commitments

For each HUB sub awarded a subcontract: - Sub Name + HUB Cert # - Trade scope - Subcontract amount \$ - Subcontract date

Section 4: HUB participation calculation

Total Project Value: \$[FINAL LUMP SUM] Total HUB Subcontracts: \$[SUM OF COMMITTED HUB SUBS] HUB Participation %: $\frac{\$[HUB SUBS]}{\$[PROJECT VALUE]} \times 100 = X.X\%$

Section 5: Compliance commitment

Blue Print Constructs commits to: (1) Submit monthly HUB Progress Assessment Reports (PARs) per TAMU System SGC § 7; (2) Maintain documentation of all sub outreach + commitments for 3+ years post-award; (3) Replace any HUB sub that becomes unable to perform with another HUB-certified sub of equivalent quality.

8. Signature

Name: Ravikiran (Rocky) Nudurupati Title: Founder & Managing Director Date: [AWAITING SUBMISSION DATE] Signature: [WET INK]

9. Common HSP form-fill errors

Error	Avoidance
HUB sub list incomplete (< 3 per trade)	Maintain spreadsheet of all outreach; document every sub contacted
HUB sub cert number missing or wrong	Verify cert via TX Comptroller HUB website before listing
% calculation wrong	Use spreadsheet; double-check by reviewer

GFE narrative weak	Detail every step of outreach; date-stamp
Missing monthly PAR commitment	Include explicit commitment in form

10. Monthly PAR (Progress Assessment Report) — post-award

Once awarded, BPC must submit monthly PAR to TAMU System HUB Operations:

- HUB sub progress to date
- \$ paid to each HUB sub
- \$ remaining on each HUB sub contract
- Issues / changes from baseline HSP

Submit via TAMU System HUB Portal or via Patty Winkler / Brittany Crawley by email.

Submission Checklist — TAMU Wehner 2025-06871

Due: Wed 2026-06-17, 2:00 PM CT. Target submit: Mon 2026-06-15 EOD.

A. Required forms (all in proposal packet)

- ☐ **A.1** — Cover letter / Executive Summary (01-executive-summary.md, exported to PDF)
- ☐ **A.2** — CSP Proposal Form (Section 00 42 13) — signed + dated (see 08-csp-proposal-form-fill-guide.md)
- ☐ **A.3** — Technical Proposal Form (Section 00 45 16) — if separate from narrative
- ☐ **A.4** — Safety/Risk/QC Form (Section 00 45 17) — signed + dated (typically includes EMR + TRIR placeholder)
- ☐ **A.5** — HSP / Subcontracting Plan Form (Section 00 45 17.1) — signed + dated (see 09-hsp-form-fill-guide.md)
- ☐ **A.6** — Bonding agent commitment letter for Performance Bond
- ☐ **A.7** — Bonding agent commitment letter for Payment Bond
- ☐ **A.8** — Current COI (ACORD 25) with TAMU as Certificate Holder + Additional Insured
- ☐ **A.9** — Master Vendor Agreement (Section 00 52 63) — signed acknowledgment

B. Required narrative sections

- ☐ **B.1** — Executive Summary (01-executive-summary.md)
- ☐ **B.2** — Technical Approach (02-technical-approach.md)
- ☐ **B.3** — Project Team / Key Personnel (03-project-team.md)
- ☐ **B.4** — Past Performance — 3 references (04-past-performance.md)
- ☐ **B.5** — Schedule Narrative (05-schedule-narrative.md)
- ☐ **B.6** — Quality Control Plan (06-quality-control-plan.md)
- ☐ **B.7** — Safety Plan (07-safety-plan.md)
- ☐ **B.8** — Price Proposal (10-price-proposal.md)

C. Required attachments + supporting documents

- ☐ **C.1** — TX Sales & Use Tax Permit
- ☐ **C.2** — Texas Comptroller HUB Certificate (if renewed) OR statement that recertification is in progress
- ☐ **C.3** — DFW MSDC MBE Certificate (if renewed)
- ☐ **C.4** — TX SOS Filing Number / Certificate of Formation
- ☐ **C.5** — Past-perf references (project descriptions, contact info, performance metrics)

- ☐ **C.6** — W-9 form (Blue Print Constructs)
- ☐ **C.7** — EMR / TRIR documentation from WC carrier

D. Form-fill verification

For each form (CSP Proposal, Technical, Safety, HSP): - ☐ All required fields filled - ☐ Signatures in wet ink - ☐ Dates within 5 days of submission - ☐ Notarization (if required) complete

E. Cross-checking against TAMU CSP requirements

- ☐ Each TAMU System UGSC + SGC requirement addressed somewhere in the package
- ☐ All FAR-equivalent / TAMU-specific clauses acknowledged
- ☐ Bond requirements (Performance + Payment) covered
- ☐ Insurance requirements covered
- ☐ HSP / HUB requirements covered

F. Quality assurance reviews

- ☐ **F.1** — Rocky's internal review (full package, page-by-page)
- ☐ **F.2** — Second-set-of-eyes review by **[USER TO FILL — peer reviewer name]**
- ☐ **F.3** — Spell-check + math-check on all numbers
- ☐ **F.4** — All **[USER TO FILL]** markers resolved
- ☐ **F.5** — Page count meets CSP requirements (typically 20-50 pages narrative + forms + attachments)

G. Packaging

- ☐ **G.1** — Single combined PDF (or ZIP of PDFs as TAMU CSP requires)
- ☐ **G.2** — File naming: BluePrintConstructs_Wehner-340E_SSC-2025-06871.pdf
- ☐ **G.3** — File size < 15 MB (typical email attachment limit)
- ☐ **G.4** — All scanned items at minimum 300 DPI

H. Submission method

Per ESBD "Bid Response Email" field: - **Primary:** Email to matthew.wiederstein@sscserv.com (single PDF or ZIP) - **Cc:** ctoler@tamu.edu (TAMU Procurement) for record - **Backup:** Physical hand-delivery to SSC Service Solutions, Facilities Services EDCS, 600 Agronomy Road, Suite 218, College Station, TX 77843

I. Submit timing

- ☐ **I.1** — Send email by **Mon 2026-06-15 EOD** (2-day buffer)
- ☐ **I.2** — Read-receipt requested
- ☐ **I.3** — Confirmation of receipt from Matt Wiederstein + Cherise Toler
- ☐ **I.4** — If no confirmation by Tue 2026-06-16 AM: phone Matt Wiederstein at 979-446-2733; phone Cherise Toler at (979) 845-5887

J. Day-of submission (Wed 2026-06-17)

- ☐ **J.1** — Re-verify package integrity at 10:00 AM
- ☐ **J.2** — Final review of pricing math
- ☐ **J.3** — If issues found, follow up with SSC for confirmation of resubmission acceptability
- ☐ **J.4** — Attend public proposal opening at 2:30 PM CT (in-person or Teams)

K. Post-submission

- ☐ **K.1** — Log submission in firm records: `firm/_scripts/_submissions.json`
- ☐ **K.2** — Calendar award/no-award window: 2026-06-22 to 2026-07-06 expected
- ☐ **K.3** — Set Outlook rule to flag any reply from @sscserv.com or @tamu.edu domains
- ☐ **K.4** — Update `bids/_FIRM_PROFILE_INTEGRATION.md` change log

Bid bond / Bonding letter template — TAMU Wehner 2025-06871

***TAMU System pattern: NO bid bond required** (matches sister TAMU Harrington bid). Performance Bond + Payment Bond required at award. This file documents the **bonding-agent commitment letter** template, which is what BPC must obtain from its bonding agent and include in the proposal packet.*

What's needed in the proposal packet

Item	Where	Status
Bonding agent commitment letter for Performance Bond (100% of contract price, post-award)	Proposal attachment	TBD
Bonding agent commitment letter for Payment Bond (100% of contract price, post-award)	Proposal attachment	TBD
No bid bond	N/A — not required by TAMU System CSP	—

Commitment-letter template (what the bonding agent provides)

[Bonding Agent Letterhead] [Date – must be within 30 days of bid submission] Cherise Toler, TAMU Procurement ctoler@tamu.edu Re: Solicitation SSC-2025-06871 – Wehner Finance Seminar Rm 340E Expansion Performance Bond + Payment Bond Commitment for RK Residential Homes and Commercial Constructions, LLC dba Blue Print Constructs Dear Ms. Toler, This letter confirms that [Surety Name], a Texas Department of Insurance licensed and Texas-acceptable surety with an AM Best rating of [Rating], is prepared to issue: 1. A Performance Bond at 100% of the contract price, AND 2. A Payment Bond at 100% of the contract price, on behalf of RK Residential Homes and Commercial Constructions, LLC dba Blue Print Constructs (UEI LM4YHVQ71QG7, CAGE 9LET0) in connection with any contract resulting from Solicitation SSC-2025-06871, up to a maximum contract value of \$200,000. Both bonds will: - Cover 100% of the contract price as required by Tex. Gov't Code Ch. 2253 - Be issued within 10 calendar days of contract award - Provide protection through the contract performance period plus one year thereafter - Acknowledge Brazos County prevailing wage flow-down requirements Blue Print Constructs holds a current bonding relationship with our firm, with single-project bonding capacity demonstrated through the \$1,000,000 performance bond procured for the Lavon RV Park project (2025). Blue Print Constructs is in good standing. Should you need additional verification or have questions, please contact me at [Phone] or [Email]. Sincerely, [Bonding Agent Name] [Title] [Bonding Agency Name] [Phone] · [Email]

Outreach to bonding agent (template email)

See `../outreach/05-email-bonding-agent.md` for the email template.

What if the bonding agent can't issue both Performance + Payment bonds?

Alternative #1 — Irrevocable Letter of Credit (ILC): - ILC from BPC's banking relationship for 100% of contract price - Replaces Performance + Payment bond in some TAMU System contexts - ILC must be from a bank acceptable to TAMU System (typically TAMU's banking relationships)

Alternative #2 — Subdivide bonds: - Performance Bond from Surety A - Payment Bond from Surety B - Both Treasury Circular 570 listed

Bond capacity verification needed

Per `firm/firm-profile.json`, BPC has demonstrated \$1,000,000 single-project capacity (Lavon RV Park). For Wehner (estimated \$145K-\$175K), this is well within capacity. Bonding agent should confirm:

- ☐ Single-project bond capacity $\geq$ \$200,000
- ☐ Aggregate bond capacity $\geq$ \$1,500,000 (sufficient for ongoing portfolio + Wehner)
- ☐ Bonded project history: 0 defaults / claims
- ☐ Surety financial rating: A.M. Best B+ or better

Common bonding-letter errors

Error	Avoidance
Letter older than 30 days at bid submission	Request letter dated within 7-14 days of submission
Surety not Treasury Circular 570 listed	TAMU System may not accept; verify before requesting
Letter doesn't mention specific Sol #	Include "Sol SSC-2025-06871" in the letter explicitly
Letter doesn't state bond %/scope	Letter must specify 100% Performance + 100% Payment
Letter doesn't address PoP + 1 year	Standard but verify

Submission

The bonding commitment letter is attached to the proposal packet as a PDF. Multiple letters (one each for Performance + Payment) are acceptable; a single letter covering both is preferred for clarity.
