Project understanding

The SF 1442 is the cover form; the ****Schedule of Prices**** is the firm-fixed-price-per-CLIN table that goes on the SF 1442 (Block 22 area) and/or as a separately-attached page.

Blue Print Constructs delivers institutional and federal renovation work with a right-sized GC posture — direct principal involvement, self-perform breadth across finishes and remodel trades, and a HUB / MBE / SBE compliance posture aligned to Texas-state and federal set-aside scoring.
